

## Implementation of Feeder Bus services integrated with Metro Stations in Nagpur

Maharashtra Metro Rail Corporation Ltd., is a 50:50 jointly owned company of Government of India and Government of Maharashtra formed to provide a safe, reliable, efficient, affordable, commuter friendly and environmentally sustainable rapid public transport system for the Nagpur Metro Region.

Maharashtra Metro Rail Corporation Ltd. has decided to improve the first and last mile connectivity of metro stations. In this regard, Maharashtra Metro Rail Corporation Ltd intends to enter into Memorandum of Understanding with interested firms/parties to implement and operate the Feeder Bus Services integrated with Metro stations to and from different destinations.

Under this MoU, the interested firm/parties shall operate the integrated Feeder Bus Services on mobile apps with mandatory live-tracking of the vehicles features etc. for Nagpur Metro. The app shall also have the functionality to search/book seats for various routes/individual or group bookings with a return journey ticket providing the First Mile & Last Mile connectivity. The interested firms/parties shall bear all costs and expenses associated with respect to procurement, development, operations and Maintenance of the feeder bus services including the Mobile Application.

For more details, interested applicants may download the draft MoU from <http://www.metrotrainnagpur.com/multi-modal-integration> after registering and filling in the required details.

Interested firms/ parties shall submit the signed copy of MoU with complete information of the company profile, company experience and technical specifications along with the information of the current feeder bus operations operated on mobile app, to Maharashtra Metro Rail Corporation Ltd. in form of hard copy as well the same shall be submitted through email on or before 31/10/2021 IST 16.00 hrs. to the following address:
